LEASE OF RAILROAD EQUIPMENT, dated as of February 1, 1973, between Borg Warner Equities Corporation (hereinafter called the Lessor) and Chicago and North Western Transportation Company hereinafter sometimes called the Lessee or the Builder).

WHEREAS, the Lessor, the Builder and First Security Bank of Utah, N.A., as Agent (hereinafter called the Vendor) have entered into a Reconstruction and Conditional Sale Agreement dated as of February 1, 1973, (hereinafter called the Security Documentation), wherein the Vendor has agreed to sell to the Lessor its interest in the railroad equipment described in Schedule A hereto after it has been reconstructed by the Builder;

WHEREAS, the Lessee desires to lease all the units of said equipment, or such lesser number as are delivered and accepted and settled for under the Security Documentation on or prior to the Cut-Off Date (as defined in Article 2 of the Security Documentation) (such units described in Schedule A hereto being hereinafter called the Units), at the rentals and for the terms and upon the conditions hereinafter provided;

NOW, THEREFORE, in consideration of the premises and of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Lessor hereby leases the Units to the Lessee upon the following terms and conditions, but, upon default of the Lessee hereunder or under the Security Documentation, subject to all the rights and remedies of the Vendor under the Security Documentation:

Section 1. Delivery and Acceptance of Units. The Lessor will cause each Unit to be tendered to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Lessor under the Security Documentation. Upon such tender, the Lessee will cause an authorized representative of the Lessee to inspect the same, and if such Unit is found to be in good order, to accept delivery of such Unit and execute and deliver to the Lessor and the Builder a certificate of acceptance and delivery (hereinafter called the Certificate of Delivery), whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease.

Section 2. Rental. The Lessee agrees to pay to the Lessor as rental for each Unit subject to this Lease one interim rent payment in the amount set forth in the next succeeding sentence, and 24 subsequent consecutive semiannual payments in an aggregate amount equal to 131.17968% of the Purchase Price (as defined in the Security Documentation) of each Unit subject to this Lease, in immediately available funds each payable on January 1 and July 1 in each year, commencing January 1, 1974. The first such rent

payment shall be in an amount equal to .022569% of the Purchase Price of each Unit for each day elapsed from and including the date such Unit is settled for under the Security Documentation to January 1, 1974. The next such 24 rent payments shall be in an amount equal to 5.46582% of the Purchase Price of each Unit subject to this Lease; provided, however, that any and all sums paid by the Lessee pursuant to its guarantee obligations as guarantor in the Security Documentation not attributable to an Event of Default hereunder shall be thereupon deemed to have been paid in reduction or satisfaction to the extent thereof of any rental payments then due or payable by the Lessee to the Lessor under this Lease.

The Lessor irrevocably instructs the Lessee to make, and the Lessee agrees to make, all payments provided for in this Lease due and payable on January 1, 1974 to and including January 1, 1979, in immediately available Salt Lake City funds (including but not limited to the payments required under Section 6 hereof) for the account of the Lessor, care of the Vendor at its office at 79 South Main Street, Salt Lake City, Utah 84110, attention of Cashier. Such payments shall be applied by the Vendor to satisfy the obligations of the Lessor under the Security Documentation due and payable on such dates, or on the business day after, such payments are due hereunder and, so long as no event of default (or event which, with notice or lapse of time, or both, could constitute an event of default) under the Security Documentation shall have occurred and be continuing, any balance shall be paid by the Vendor to the Lessor. All payments provided for in this Lease due and payable subsequent to January 1, 1979 shall be made directly to the Lessor.

This Lease is a net lease and the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due to, or by reason of, any past, present or future claims of the Lessee against the Lessor under this Lease or under the Security Documentation, including the Lessee's rights by subrogation under Article 7 thereof, or the Builder or the Vendor or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Lessor or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency, bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it

being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Lessor for any reason whatsoever.

Section 3. Term of Lease. The term of this Lease as to each Unit shall begin on the date of the delivery to and acceptance by the Lessee of such Unit and, subject to the provisions of Sections 6 and 9 hereof, shall terminate on the date on which the final semiannual payment of rent in respect thereof is due hereunder.

Notwithstanding anything to the contrary contained herein, all rights and obligations under this Lease and in and to the Units, upon default by the Lessee hereunder or under the Security Documentation in its capacity as guarantor or otherwise, are subject to the rights of the Vendor under the Security Documentation. If an event of default should occur under the Security Documentation, the Vendor may terminate this Lease (or rescind its termination), all as provided therein, unless the Lessee is not so in default under this Lease or under the Security Documentation (in its capacity as guarantor or otherwise). If a Declaration of Default (as defined in the Security Documentation) should be made under the Security Documentation solely by reason of a default by the Lessor in the performance or observance of its agreements contained in the second sentence of the second paragraph of Article 11 or the second sentence of the third paragraph of Article 11 or the first paragraph of Article 14 of the Security Documentation, and if such Declaration of Default shall not have been rescinded by the Vendor within 30 days of the making thereof, or if the Vendor theretofore has indicated either in writing to the Lessor or the Lessee or by the commencement of the remedies specified under Article 16 of the Security Documentation that it will not rescind such Declaration of Default, the Lessee, without penalty, may terminate this Lease.

Section 4. Identification Marks. The Lessee, so long as this Lease shall remain in effect, will cause each Unit to be kept numbered with the identifying number set forth in Schedule A to the Security Documentation and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of such Unit, in letters not less than one inch in height,

the name of the Vendor followed by the words "Security Owner" or other appropriate words designated by the Vendor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of the Lessor or the Vendor to such Unit and the rights of the Lessor under this Lease and of the Vendor under the Security Documentation. The Lessee will not place any such Unit in operation or exercise any control or dominion over the same until such names and words shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. The Lessee will not change the identifying number of any Unit except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with the Vendor and the Lessor by the Lessee and filed, recorded or deposited by the Lessee in all public offices where this Lease will have been filed, recorded or deposited.

Except as above provided, the Lessee, so long as this Lease shall remain in effect, will not allow the name of any person, association or corporation to be placed on the Units as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may cause the Units to be lettered with the names or initials or other insignia customarily used by the Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their rights to use the Units as permitted under this Lease. Nothing contained in this Section 4 shall bar the Lessor from having its name, initials or other insignia on the Units.

Section 5. Taxes. All payments to be made by the Lessee hereunder will be free of expense to the Lessor for collection or other charges and will be free of expense to the Lessor with respect to the amount of any local, state, federal or foreign taxes (other than any United States federal income tax or any value-added tax in lieu of or in substitution for any such income taxes [and, to the extent that the Lessor receives credit therefor against its United States federal income tax liability, any foreign income tax] payable by the Lessor in consequence of the receipt of payments provided herein and other than the aggregate of all state or city income taxes or franchise taxes measured by net income based on such receipts or gross receipts taxes [other than gross receipts taxes in the nature of sales or use taxes], up to the amount of any such taxes which would be payable to the state and city in which the Lessor has its principal place of business without apportionment to any other state or city, except any such tax which is in substitution for or relieves the Lessee from the payment of taxes which it would otherwise be obligated to pay or reimburse as herein provided), assessments or license fees and any charges, fines or penalties in connection therewith (all such expenses, taxes, assessments,

license fees, charges, fines and penalties being hereinafter called impositions) hereafter levied or imposed upon or in connection with or measured by this Lease or any sale, rental, use, payment, shipment, delivery or transfer of title under the terms hereof or the Security Documentation, all of which impositions the Lessee assumes and agrees to pay on demand in addition to the payments to be made by it provided for herein. The Lessee will also pay promptly all impositions which may be imposed upon any Unit or for the use or operation thereof or upon the earnings arising therefrom or upon the Lessor solely by reason of its ownership thereof and will keep at all times all and every part of such Unit free and clear of all impositions which might in any way affect the title of the Lessor or result in a lien upon any such Unit; provided, however, that the Lessee shall be under no obligation to pay any impositions so long as it is contesting in good faith and by appropriate legal proceedings such impositions and the nonpayment thereof does not, in the opinion of the Lessor, adversely affect the title, property or rights of the Lessor hereunder or under the Security Documentation. If any impositions shall have been charged or levied against the Lessor directly and paid by the Lessor, the Lessee shall reimburse the Lessor on presentation of invoice therefor.

In the event that the Lessor shall become obligated to make any payment to the Vendor pursuant to Article 5 of the Security Documentation not covered by the foregoing paragraph of this Section 5, the Lessee shall pay such additional amounts (which shall also be deemed impositions hereunder) to the Lessor as will enable the Lessor to fulfill completely its obligations pursuant to said Article 5.

In the event any reports with respect to impositions are required to be made on the basis of individual Units, the Lessee will either make such reports in such manner as to show the interests of the Lessor and the Vendor in such Units or notify the Lessor and the Vendor of such requirement and make such reports in such manner as shall be satisfactory to the Lessor and the Vendor and shall furnish copies of any such reports to the Vendor and the Lessor.

In the event that, during the continuance of this Lease, the Lessee becomes liable for the payment or reimbursement of any impositions, pursuant to this Section 5, such liability shall continue, notwithstanding the expiration of this Lease, until all such impositions are paid or reimbursed by the Lessee.

Section 6. Payment for Casualty Occurrences. In the event that any Unit shall be or become lost, stolen, destroyed or, in the reasonable opinion of the Lessee, irreparably damaged or worn out from any cause whatsoever, or taken or requisitioned by condemnation or otherwise for a period extending beyond the term

of this Lease (each such occurrence being hereinafter called a Casualty Occurrence) during the term of this Lease, the Lessee shall, within eight days after it shall have determined that such Unit has suffered a Casualty Occurrence, fully notify the Lessor and the Vendor in writing with respect thereto. On the January 1 or July 1 next succeeding such notice the Lessee shall pay to the Lessor an amount equal to the accrued rental for such Unit to the date of such payment plus a sum equal to the Casualty Value (as hereinafter defined) of such Unit as of such January 1 or July 1, as the case may be, in accordance with the schedule set out below. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit.

The Casualty Value of each Unit shall be determined by multiplying the Purchase Price of such Unit by the applicable percentages set forth opposite each date in the following schedule:

<u>Rental</u> <u>Payment</u> <u>Date No.</u>	<u>Percentage</u> <u>of Purchase</u> <u>Price</u>	<u>Rental</u> <u>Payment</u> <u>Date No.</u>	<u>Percentage</u> <u>of Purchase</u> <u>Price</u>

(and thereafter)

Except as hereinabove in this Section 6 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit after delivery to and acceptance thereof by the Lessee hereunder.

The Lessee will, at all times while this Lease is in effect, at its own expense, cause to be carried and maintained insurance in respect of the Units at the time subject hereto, and public liability insurance, in amounts and against risks customarily

insured against by railroad companies on similar equipment, and in any event in amounts and against risks comparable to those insured against by the Lessee on equipment owned by it and the benefits thereof shall be payable as provided in the Security Documentation and will furnish appropriate evidence of such insurance coverage upon request of the Lessor. Any damages receivable from others, any salvage value recovered or paid by the Lessee, any condemnation payments and any net insurance proceeds, received by the Lessor in respect of Units suffering a Casualty Occurrence (all hereinafter collectively referred to as Recoveries) shall be deducted from the amounts payable by the Lessee to the Lessor in respect of Casualty Occurrences pursuant to this Section 6 and the excess of such Recoveries, if any, shall belong to the Lessor. If the Lessor shall receive any such Recoveries after the Lessee shall have made payments pursuant to this Section 6 without deduction for such Recoveries the Lessor shall pay such Recoveries to the Lessee up to an amount equal to the Casualty Value with respect to a Unit paid by the Lessee and any balance of such Recoveries shall remain the property of the Lessor.

All proceeds of insurance received by the Lessor in respect of insurance carried on any Unit or Units not suffering a Casualty Occurrence shall be paid to the Lessee upon proof satisfactory to the Lessor that any damage to such Unit in respect of which such proceeds were paid has been fully repaired.

The Lessee shall have the right at its option after the January 1, 1976, rental payment date in respect of the Units, on at least 60 days' prior written notice to the Lessor and the Vendor, to terminate this Lease on the rental payment date next succeeding such notice with respect to all the Units then subject to this Lease if, in the Lessee's reasonable opinion, such Units shall have become obsolete in the business of the Lessee because of governmental requirements or technological changes subsequent to the date of this Lease. During the period from the giving of such notice until the termination date, the Lessee, as agent for the Lessor, shall use its best efforts to obtain bids for the cash purchase of such Units on the termination date. In the event it receives any bid, the Lessee shall, at least five business days prior to the proposed date of sale, certify to the Lessor and the Vendor in writing the amount and terms of such bid, the proposed date of such sale and the name and address of the party (who shall not be the Lessee or any person, firm or corporation affiliated with the Lessee) submitting such bid. On or before the termination date (1) the Lessee shall deliver the Units to the bidder, if any, which shall have submitted the highest bid prior to such date, in the same manner as if delivery were made to the Lessor pursuant to Section 12 hereof, and (2) the Lessor shall, without recourse or warranty, simultaneously therewith sell such Units for cash to such bidder. If such sale

occurs on or prior to January 1, 1979, there shall be paid to the Vendor for the account of the Lessor and applied as provided in the second paragraph of Section 2 hereof (i) the total selling price realized at such sale and, (ii) on the termination date the excess if any, of (A) the Termination Value (as hereinafter defined) for such Units computed as of such termination date over (B) the cash sale price received for the Units sold by the Lessor after deducting the expenses incurred by the Lessor in connection with such sale. If such sale occurs after January 1, 1979, the total selling price realized at such sale shall be paid to the Lessor and, in addition, on the termination date, the Lessee shall pay to the Lessor, the excess, if any, of (A) the Termination Value (as hereinafter defined) for such Units computed as of the termination date over (B) the cash sale price received for the Units sold by the Lessor after deducting the expenses incurred by the Lessor in connection with such sale. Upon such payment the Lessor will transfer to the purchaser, without recourse or warranty, all of the Lessor's right, title and interest in and to such Units. If no sale shall have occurred on or as of the termination date in respect of such Units, this Lease shall continue in full force and effect. The Lessor shall be under no duty to solicit bids, to inquire into the efforts of the Lessee to obtain bids or otherwise take any action in connection with any such sale other than to transfer to the purchaser named in the highest bid certified by the Lessee to Lessor, without recourse or warranty, all of the Lessor's right, title and interest in and to such Units, against receipt of the payments provided for herein. The Termination Value of the Units shall be the Casualty Value of such Units as of the termination date as provided in Section 6 hereof plus the rental due and payable on such date.

Section 7. Annual Reports. On or before March 31 in each year, commencing with the calendar year which begins after the expiration of 180 days after the date of this Lease, the Lessee will cause to be furnished to the Lessor and the Vendor an accurate statement, as of the preceding December 31, (a) showing the amount, description and numbers of the Units then leased hereunder and/or covered by the Security Documentation, the amount, description and number of all Units that may have suffered a Casualty Occurrence during the preceding 12 months (or since the date of this Lease in the case of the first such statement) and such other information regarding the condition and state of repair of the Units as the Lessor or the Vendor may reasonably request, and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the markings required by Section 4 hereof and Article 9 of the Security Documentation shall have been preserved or replaced. The Lessor shall have the right at its sole cost, risk and expense, by its authorized representatives, to inspect the Units and the Lessee's records with respect thereto, at such times as shall reasonably be necessary to confirm to the Lessor.

the existence and proper maintenance of the Units during the continuance of this Lease.

Section 8. Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; and Indemnification. The Lessor makes no warranty or representation, either express or implied, as to the design or condition of, or as to quality of the material, equipment or workmanship in, the Units delivered to the Lessee hereunder, and the Lessor makes no warranty of merchantability or fitness of the Units for any particular purpose or as to title to the Units or any component thereof, and the Lessee, are to be borne by the Lessee. The Lessee's acceptance of delivery of the Units shall be conclusive evidence as between the Lessee and the Lessor that all Units described in the Certificate of Delivery are in all the foregoing respects satisfactory to the Lessee and the Lessee will not assert any claim of any nature whatsoever against the Lessor based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Lessor and the Vendor, to comply in all respects with all laws of the jurisdictions in which the Units may be operated, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Federal Railroad Administration and the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units. In the event that such laws or rules require the alteration of the Units or in case any equipment or appliance on any such Unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such Unit in order to comply with such laws and and rules, the Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and the Lessee agrees at its own expense to use, maintain and operate such Unit in full compliance with such laws and rules so long as it is subject to this Lease; provided, however, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Lessor or the Vendor, adversely affect the property or rights of the Lessor or the Vendor hereunder or under the Security Documentation.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit which is subject to this Lease in good order and repair, ordinary wear and tear excepted.

Any and all additions to any Unit and any and all parts installed on or replacements made to any Unit [except (i) in the case of any Unit which is a locomotive, communications, signal and automatic control equipment or devices having a similar use which have been added to such Unit by the Lessee, other than replacements for any such equipment included in the Purchase Price, the cost of which is not included in the Purchase Price

(as defined in the Security Documentation) of such Unit and which are not required for the operation or use of such Unit by the Interstate Commerce Commission, the Department of Transportation or any other applicable regulatory body and (ii) such other additions or parts as can be removed without damage to and without impairing the originally intended function or use of such Unit and without cost or expense to the Lessor or the Vendor] shall be considered accessions to such Unit and, at the cost and expense of the Lessee, full ownership thereof free of any lien, charge, security interest or encumbrance (except for those created by the Security Documentation) shall immediately be vested in the Lessor and the Vendor as their respective interests appear in the Unit itself.

The Lessee agrees to indemnify, protect and hold harmless the Lessor and the Vendor from and against all losses, damages, injuries, liabilities, claims and demands whatsoever, regardless of the cause thereof, and expenses in connection therewith, including, but not limited to, claims for strict liability in tort, counsel fees and expenses, patent liabilities, penalties and interest, arising out of or as the result of the entering into or the performance of the Security Documentation or this Lease, the ownership of any Unit, the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any Unit or any accident in connection with the operation, use, condition, possession, storage or return of any Unit resulting in damage to property or injury or death to any person.

The Lessee agrees to prepare and deliver to the Lessor within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Lessor) any and all reports (other than income tax returns) to be filed by the Lessor with any federal, state or other regulatory authority by reason of the ownership by the Lessor or the Vendor of the Units or the leasing thereof to the Lessee.

Section 9. Default. If, during the continuance of this Lease, one or more of the following events (hereinafter sometimes called Events of Default) shall occur:

A. default shall be made in the payment of any part of the rental provided in Section 2 hereof and such default shall continue for fifteen days;

B. the Lessee shall make or permit any unauthorized assignment or transfer of this Lease or of possession of the Units, or any thereof;

C. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Security Documentation and such default shall continue for 30 days after written notice

from the Lessor to the Lessee specifying the default and demanding that the same be remedied;

D. a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against the Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under the Security Documentation and this Lease shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed in such proceedings (whether or not subject to ratification) in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier;

E. any other proceedings shall be commenced by or against the Lessee hereunder or under the Security Documentation under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder or under the Security Documentation), unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), and all the obligations of the Lessee under this Lease and under the Security Documentation shall not have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier, then, in any such case, the Lessor, at its option, may:

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and determine as though this Lease had never been made, but the Lessee shall remain liable as hereinafter provided; and thereupon the Lessor may by its agents, with or without legal process, enter upon the

premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever; but the Lessor shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee (i) as damages for loss of the bargain and not as a penalty, a sum, with respect to each Unit, which represents the excess of (x) the present value, at the time of such termination, of the entire unpaid balance of all rentals for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (y) the then present value of the rentals which the Lessor reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on a basis of 7 1/2% per annum discount, compounded from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, (ii) any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Lessor shall have sustained by reason of the breach of any covenant or covenants of this Lease other than for the payment of rental, and including, without limitation, and (iii) an amount which, after deduction of all taxes required to be paid by the Lessor in respect of the receipt thereof under the laws of the United States or any political subdivision thereof, shall be equal to any portion of the 7% investment credit attributable to 100% of the total reconstruction cost of the Equipment (hereinafter called the Investment Credit) allowed by Section 38 and related sections of the Internal Revenue Code of 1954, as amended to the date hereof (hereinafter called the Code), which was lost, not claimed, not available for claim, disallowed or recaptured by or from the Lessor as a result of the breach of one or more of the representations, warranties and covenants by the Lessee in Section 14 or any other provision of the Lease, the termination of this Lease, the Lessor's loss of the right to use any Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in any Unit after the occurrence of an Event of Default plus such sum as, in the reasonable opinion of the Lessor, will cause the Lessor's net return under this Lease to be equal to the net return that would have been available to the Lessor if it had been entitled to utilization of all or such portion of (i) the deduction (herein called the Interest Deduction) in

each taxable year of the Lessor for all interest accrued during such year on the Conditional Sale Indebtedness (as defined in the Security Documentation), computed in accordance with Section 163 of the Code and (ii) the maximum depreciation deduction authorized with respect to a Unit under Section 167 of the Code utilizing the "class lives" and "asset depreciation ranges" prescribed in accordance with Section 167(m) of said Code for an asset described in Asset Guideline Class No. 40.1 as described in Revenue Procedure 72-10, 1972, IRB 8 (hereinafter called the Depreciation Deduction) which was lost, not claimed, not available for claim, disallowed or recaptured in respect of a Unit as a result of the breach of one or more of the representations, warranties and covenants made by the Lessee in Section 14 or any provision of this Lease, the termination of this Lease, the Lessee's loss of the right to use such Unit, any action or inaction by the Lessor or the sale or other disposition of the Lessor's interest in such Unit after the occurrence of an Event of Default.

Anything in this Section 9 to the contrary notwithstanding, any default in the observance or performance of any covenant, condition or agreement on the part of the Lessee which results solely in the loss by the Lessor of, or the loss by the Lessor of the right to claim, or the disallowance with respect to the Lessor of all or any portion of the Investment Credit or the Depreciation Deduction or both shall be for all purposes of this Lease deemed to be cured if the Lessee shall, on or before the next rental payment date after written notice from the Lessor of the loss, or the loss of the right to claim, or the disallowance of the Investment Credit or the Depreciation Deduction or both in respect of such Unit, agree to pay to the Lessor a revised rental rate so that the Lessor shall have the same rate of return as though the Lessor had the benefit of the Investment Credit or a revised rental rate in respect of such Unit determined as provided in the fourth paragraph of Section 14 hereof if there is a loss of the Depreciation Deduction.

The remedies in this Lease provided in favor of the Lessor shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any mandatory requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Lessor to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set

forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies.

Section 10. Return of Units Upon Default. If this Lease shall terminate pursuant to Section 9 hereof, the Lessee shall forthwith deliver possession of the Units to the Lessor. For the purpose of delivering possession of any Unit or Units to the Lessor as above required, the Lessee shall at its own cost, expense and risk:

A. forthwith place such Units upon such storage tracks of the Lessee as the Lessor reasonably may designate,

B. permit the Lessor to store such Units on such tracks at the risk of the Lessee until such Units have been sold, leased or otherwise disposed of by the Lessor, and

C. transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by the Lessor.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this Section 10, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Lessor, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

Section 11. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Lessor without the consent of the Lessee, but the Lessee shall be under no

obligation to any assignee of the Lessor except upon written notice of such assignment from the Lessor. All the rights of the Lessor hereunder (including, but not limited to, the rights under Sections 5, 6, 9 and 14) shall inure to the benefit of the Lessor's assigns. Whenever the term Lessor is used in this Lease it shall apply and refer to each such assignee of the Lessor.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation, the Lessee shall be entitled to the possession and use of the Units in accordance with the terms of this Lease and the Security Documentation, but, without the prior written consent of the Lessor, the Lessee shall not assign or transfer its leasehold interest under this Lease in the Units or any of them. The Lessee, at its own expense, will promptly pay or discharge or cause to be duly discharged any lien, charge, security interest or other encumbrance (other than an encumbrance created by the Lessor or the Vendor after the date hereof or resulting from claims against the Lessor or the Vendor not related to the ownership of the Units) which may at any time be imposed on or with respect to any Unit, including any accession thereto or the interests of the Lessor, the Vendor or the Lessee therein. The Lessee shall not, without the prior written consent of the Lessor, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of the next succeeding paragraph hereof.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation, the Lessee shall be entitled to the possession of the Units and to the use thereof by it or any affiliate upon lines of railroad owned or operated by it or any such affiliate or upon the lines of railroad over which the Lessee or any such affiliate has trackage or other operating rights or over which railroad equipment of the Lessee or any such affiliate is regularly operated pursuant to contract, and also to permit the use of the Units upon connecting and other carriers in the usual interchange of traffic and equipment, but only upon and subject to all the terms and conditions of this Lease, including the last paragraph of this Section 11, and the Security Documentation. The Lessee may receive and retain compensation for such use from other railroads so using any of the Units.

Nothing in this Section 11 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation (which shall have duly assumed the obligations of the Lessee hereunder and under the Security Documentation) into or with which the Lessee shall have become merged or consolidated or which shall have acquired or leased all or substantially all of the lines of the railroad of the Lessee, provided that such assignees, successors or transferees will not, upon the effectiveness of such merger or consolidation or acquisition of properties, be in default under any provision of this Lease and

that such merger or consolidation or acquisition of properties shall not alter in any way the Lessee's obligation to the Lessor and the Vendor hereunder which shall be and remain those of a principal and not a guarantor.

The Lessee agrees that during the term of this Lease, it will not assign any Unit to service involving the regular operation and maintenance thereof outside the United States of America.

So long as the Lessee shall not be in default under this Lease or under the Security Documentation in its capacity as Guarantor or otherwise, the Lessee, upon prior written consent of the Lessor, which consent shall not be unreasonably withheld, shall be entitled to sublease the Units to any railroad corporation incorporated under the laws of any state of the United States of America or the District of Columbia; provided, however, that the Lessee shall be entitled to sublease the Units for periods of no longer than 60 days without the written consent of the Lessor; provided, further however, that the rights of any such sublessee are made expressly subordinate to the rights and remedies of the Vendor under the Security Documentation and the Lessor under the Lease and such sublease shall not alter in any way the Lessee's obligations to the Lessor and the Vendor hereunder which obligations shall be and remain those of a principal and not a guarantor.

Section 12. Return of Units upon Expiration of Term; Lessee's Options. As soon as practicable on or after the expiration of the term of this Lease with respect to the Units but in any event not later than 90 days after such expiration, the Lessee will, at its own cost and expense, at the request of the Lessor, deliver possession of the Units to the Lessor upon such storage tracks of the Lessee as the Lessee may designate and permit the Lessor to store such Units on such tracks for a period not exceeding three months and transport the same, at any time within such three-month period, to any reasonable place on the lines of railroad operated by the Lessee as directed by the Lessor, the movement and storage of the Units to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any Unit, to inspect the same; provided, however, that the Lessee shall not be liable, except in the case of negligence of the Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of the Lessor or any prospective purchaser, the rights of inspection granted under this sentence. The assembling, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Lessor shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to

assemble, deliver, store and transport the Units. The Lessee shall advise the Lessor of the Units, if any, which have suffered a Casualty Occurrence as of the expiration of the Lease and if the Lessor shall elect to abandon any Unit which has suffered a Casualty Occurrence or which within three months after the expiration of this Lease the Lessor shall elect to abandon, it may deliver written notice to such effect to the Lessee and the Lessee shall thereupon assume and hold the Lessor harmless from all liability arising in respect of any responsibility of ownership thereof, from and after receipt of such notice. The Lessor shall execute and deliver to the Lessee a bill of sale or bills of sale transferring to the Lessee, or upon its order, on a "as-is," "where-is" basis, the Lessor's title to and property in any Unit abandoned by it pursuant to the immediately preceding sentence. The Lessee shall have no liability to the Lessor in respect of any Unit so abandoned by the Lessor after termination of the Lease; provided, however, that the foregoing clause shall not in any way relieve the Lessee of its obligations pursuant to Section 6 hereof to make payments equal to the Casualty Value of any Unit experiencing a Casualty Occurrence during the term of this Lease.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may elect, by written notice delivered to the Lessor not less than six months prior to the end of the term of this Lease (whether original or extended) (a) to extend the term of this Lease in respect of all but not fewer than all such Units then covered by this Lease for one period of three years commencing on the scheduled expiration of the original term at a rental equal to "Fair Rental Value" of such Units payable in six semiannual payments on January 1 and July 1 in each year of such extended term or (b) to purchase all, but not fewer than all, the Units covered by this Lease at the end of such term for a purchase price equal to the "Fair Market Value" of such Units as of the end of such term.

Fair Market Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing buyer-user under no compulsion to buy (other than (i) a lessee currently in possession or (ii) a used equipment dealer) and an informed and willing seller under no compulsion to sell and, in such determination, the value of any additions or part removable by the Lessee pursuant to the third paragraph of Section 3 hereof shall be a deduction from such value but the costs of removal from the location of current use shall not be a deduction from such value.

Fair Rental Value shall be determined on the basis of, and shall be equal in amount to, the value which would obtain in an arm's-length transaction between an informed and willing lessee-user under no compulsion to lease (other than a lessee-user

currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such value.

If on or before four months prior to the expiration of the term of this Lease, the Lessor and the Lessee are unable to agree upon a determination of the Fair Market Value or the Fair Rental Value of the Units, such value shall be determined in accordance with the foregoing definitions by a qualified independent Appraiser. The term Appraiser shall mean such independent appraiser as the Lessor and the Lessee may mutually agree upon, or, failing such agreement, a majority of a panel of three independent appraisers, one of whom shall be selected by the Lessor, the second by the Lessee and the third designated by the first two so selected. The Appraiser shall be instructed to make such determination within a period of 30 days following appointment, and shall promptly communicate such determination in writing to the Lessor and the Lessee. Within 10 business days after notification of such determination, the Lessee may reject the determination of the Appraiser and elect not to exercise the option to purchase the Units if (a) such election is made at least two months prior to the end of the term of this Lease (whether original or extended) or (b) the Appraiser fails to reach such determination at least two months plus ten business days prior to the end of the term of this Lease (whether original or extended) and such failure does not result from the Lessee's failure diligently to perform its obligations at arriving at the purchase price. If such determination is not accepted by the Lessee, it will bear the full expenses and fees of the Appraiser. If such determination is accepted by the Lessee, the expenses and fees of the Appraiser shall be borne by the Lessee.

Section 13. Opinion of Counsel. On each Closing Date (as defined in the Security Documentation), the Lessee will deliver to the Lessor two counterparts of the written opinion of counsel for the Lessee, addressed to the Lessor and the Vendor, in scope and substance satisfactory to the Lessor, and the Vendor and their respective counsel, to the effect that:

A. the Lessee is a corporation legally incorporated, validly existing and in good standing under the laws of its state of incorporation (specifying the same), with adequate corporate power to enter into the Security Documentation and this Lease;

B. the Security Documentation and this Lease have been duly authorized, executed and delivered by the Lessee and constitute a valid, legal and binding agreement of the Lessee, enforceable in accordance with their terms;

C. the Security Documentation and this Lease have been duly filed and recorded with the Interstate Commerce Commission

pursuant to Section 20c of the Interstate Commerce Act; and such filing, recording and deposit will protect the Vendor's and the Lessor's interests in and to the Units and no filing, recording or deposit (or giving of notice) with any other federal, state or local government is necessary in order to protect the interests of the Vendor and the Lessor in and to the Units;

D. no approval is required from any public regulatory body with respect to the entering into or performance of the Security Documentation or this Lease;

E. the entering into and performance of the Security Documentation or this Lease will not result in any breach of, or constitute a default under, any indenture, mortgage, deed of trust, bank loan or credit agreement or other agreement or instrument to which the Lessee is a party or by which it may be bound; and

F. no mortgage, deed of trust, or other lien of any nature whatsoever which now covers or affects, or which may hereafter cover or affect, any property or interests therein of the Lessee, now attaches or hereafter will attach to the Units or in any manner affects or will affect adversely the Vendor's or the Lessor's right, title and interest therein; provided, however, that such liens may attach to the leasehold rights of the Lessee hereunder in and to the Units. On each Closing Date the Lessor will deliver to the Lessee an opinion of counsel for the Lessor stating that the Security Documentation and this Lease have been duly authorized, executed and delivered by the Lessor and are legal and valid instruments, binding upon the Lessor and enforceable against the Lessor in accordance with their terms.

Section 14. Federal Income Taxes. The Lessor, as the owner of each Unit, shall be entitled to such deductions, credits or other benefits as are provided by the Code (as defined in Section 9 of this Lease), to an owner of property, including (without limitation) an allowance for the Investment Credit, the Interest Deduction and the Depreciation Deduction (each as defined in Section 9 of this Lease) with respect to the Units.

The Lessee agrees that neither it nor any corporation controlled by it, in control of it, or under common control with it, directly or indirectly, will at any time take any action or file any returns or other documents inconsistent with the foregoing and that each of such corporations will file such returns, take such action and execute such documents as may be reasonable and necessary to facilitate accomplishment of the intent thereof; provided, however, that the Lessee may terminate this Lease pursuant to the fifth paragraph of Section 6 hereof. Lessee agrees to keep and make available for inspection and copying by Lessor such records as will enable Lessor to determine whether it is entitled to the full benefit of the Investment

Credit, the Interest Deduction and the Depreciation Deduction with respect to the Units.

The Lessee represents and warrants that (i) none of the portion of the basis of the Units attributable to reconstruction constitutes property, the construction, reconstruction or erection of which was begun before April 1, 1971; (ii) at the time the Lessor becomes the Owner of the Units, that portion of the Purchase Price of the Units attributable to reconstruction (such amount being the Purchase Price of the Units less that portion thereof attributable to the Hulks as specified in Schedule A to the Security Documentation) will qualify as "new section 38 property" within the meaning of Section 48(b) of the Code; (iii) at the time the Lessor becomes the owner of the Units, that portion of the basis of the Units attributable to reconstruction will not have been used by any person so as to preclude "the original use of such property" within the meaning of Section 48(b) and 167(c) (2) of the Code from commencing with the Lessor; (iv) at the time the Lessor becomes the Owner of the Units, no investment credit, depreciation or other tax benefits will have been claimed by any person with respect to the portion of the basis of the Units attributable to reconstruction; and (v) at all times during the term of this Lease, the Lessee will do nothing which will cause that portion of the basis of the Units attributable to reconstruction to cease to be "Section 38 property" within the meaning of Section 48(a) of the Code.

The Lessee understands that the rental rate provided in Section 2 hereof has been calculated on the basis of Depreciation Deductions in respect to the Units being available on the basis of an 11-year life on one of the accelerated methods of depreciation provided in Section 167(b) of the Code. If such Depreciation Deductions are disallowed at any time because such deductions may only be taken on the basis of a 12-year life, the rental rate for the Units set forth in Section 2 hereof shall, on the next succeeding rental payment date after written notice to the Lessee by the Lessor of such fact, be increased to such amount as shall, in the reasonable opinion of the Lessor, equal the net return that would have been realized by the Lessor if the Lessor had been entitled to utilize such 11-year life as distinguished from a 12-year life and the Lessee shall forthwith pay to the Lessor as additional rental the amount of any interest that may be assessed by the United States against the Lessor attributable to the utilization of such 11-year life as distinguished from a 12-year life.

The Lessor agrees that if, in the opinion of the Lessee's independent tax counsel (herein referred to as Counsel), a bona fide claim exists to such Depreciation Deduction being available on the basis of an 11-year life (with respect to part or all of any Unit) in respect of which the Lessee is required to pay increased rental and interest to the Lessor as above provided,

the Lessor shall, upon request and at the expense of the Lessee, take all such legal or other appropriate action deemed reasonable by Counsel in order to sustain such claim. The Lessor may, at its option, take such action prior to making payment pursuant to a notice of disallowance or may make such payment and then sue for a refund. In the latter event, if the Lessor has agreed not to require payment of the increased rental while such action is pending and (i) if the final determination shall be adverse to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax and interest paid attributable to such Depreciation Deductions which were disallowed, required to be recaptured or lost, such interest to be computed at the rate of 9% per annum from the date on which payment of such increased tax was made to the date on which payment of such increased rentals commenced in accordance with the provisions of this Section 14 or (ii) if the final determination shall be favorable to the Lessor, the Lessee shall pay to the Lessor interest on the amount of the tax paid, such interest to be computed at a rate per annum which represents the difference between the interest rate per annum then allowed by the Internal Revenue Service on such refunded taxes and 9% per annum from the date of payment of such tax to the date of refund. The Lessor shall not be obligated to take any such legal or other appropriate action unless the Lessee shall first have indemnified the Lessor for all liabilities and expenses which may be entailed therein and shall have furnished the Lessor with such reasonable security therefor as may be requested. If the Lessor's right to claim all or any part of the such Depreciation Deductions, which was not claimed or was disallowed, shall be established by the final judgment or decree of the court or administrative agency having jurisdiction thereof, or if the Lessor shall release, waive, compromise or settle any claim without the written consent of the Lessee, then, on the next succeeding rental payment date thereafter, or after such judgment or decree shall have become final, as the case may be, the rental rate set forth in Section 2 of this Lease shall again become applicable and the Lessor shall forthwith upon demand of the Lessee reimburse Lessee in an amount equal to the excess, if any, of the difference between the increased rental and interest paid by the Lessee in respect thereof and the rental pursuant to Section 2 of this Lease.

The Lessee's and the Lessor's agreement to pay any sums which may become payable pursuant to this Section 14 shall survive the expiration or other termination of this Lease.

This Lease may be terminated upon 30 days' written notice (hereinafter called a "Notice of Termination") to the Lessee and the Vendor by the Lessor, or to the Lessor and the Vendor by the Lessee, if the Lessor is unable to obtain by November 1, 1973, or if prior to November 1, 1973, the Lessor is advised by the Internal Revenue Service that it will not receive, a ruling from the Internal Revenue Service to the effect that (i) this Lease is a lease for federal tax purposes, (ii) the Lessor is entitled to

the Interest Deduction available under Section 163 of the Code, (iii) the Lessor is entitled to the Depreciation Deductions with respect to the Units, available to an owner of property under Section 167 of the Code, (iv) the Lessor is entitled to the Investment Credit with respect to the Units available to an owner of property under Section 38 and related sections of the Code, (v) the Units will be treated as property "reconstructed by the Lessor" for purposes of Sections 48(b) and 167(c) of the Code and (vi) the Lessee will be entitled to deduct the rent payments due and payable pursuant to this Lease under Section 162 of the Code. If such Notice of Termination is given, the Lessee, on January 1, 1974, will pay to the Lessor an amount equal to all fees and expenses paid or incurred by the Lessor in respect of this transaction up to an amount not exceeding \$10,000, whereupon this Lease with respect to all Units will terminate.

The Lessor agrees that it will apply for and diligently seek a favorable ruling from the Internal Revenue Service. The Lessee shall have the right to review the request for ruling and participate in seeking such ruling if the Lessee desires.

Section 15. Recording. The Lessee will cause this Lease, the Security Documentation and any assignment hereof or the first assignment thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, recording and depositing and refiling, re-recording and redepositing required of the Lessor under the Security Documentation and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, re-record or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Lessor or the Vendor for the purpose of proper protection, to their satisfaction, of the Vendor's and the Lessor's respective interests in the Units, or for the purpose of carrying out the intention of this Lease or the Security Documentation; and the Lessee will promptly furnish to the Vendor and the Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Vendor and the Lessor. This Lease and the Security Documentation shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

Section 16. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations when due hereunder shall result in the obligation on the part of the Lessee promptly to pay also an

amount equal to 10% per annum of the overdue rentals for the period of time during which they are overdue.

Section 17. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when deposited in the United States certified mails, first-class postage prepaid, addressed as follows:

if to the Lessor, 4001 West Devon Avenue
Chicago, Illinois 60646
Attention: Vice President-Finance

if to the Lessee, 400 West Madison Street
Chicago, Illinois 60606;
Attention: Treasurer

or addressed to either party at such other address as such party shall hereafter furnish to the other party in writing.

Section 18. Severability; Effect and Modification of Lease. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction, shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Lessor and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized officers of the Lessor and the Lessee.

Section 19. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Vendor shall be deemed to be the original counterpart. Although this Lease is dated as of the date set forth on the cover hereof, for convenience, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

Section 20. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the parties hereto, each pursuant to due corporate authority, have caused this instrument to be executed in their respective corporate names by duly authorized officers, and their respective corporate seals to be hereunto affixed and duly attested, all as of the date first above written.
